

SPACE ACTIVITY BADGE

How to earn your badge:

1. Find out what Earth looks like from space; the shapes of the continents, oceans, forests and cities.
 2. Discover what makes our planet special and how it helps humans, animals and plants survive.
You could look at the Sun, the Moon, and the atmosphere of the planet.
 3. Find out what it's like living on the International Space Station.
How do they complete daily tasks, such as brushing their teeth or making something to eat?
 4. Explore how different types of rockets have been used over the years to get people and objects into space.
 5. Explore the planets in our solar system.
Find out how they are different to each other and to Earth.
