

ENVIRONMENTAL CONSERVATION

How to earn your badge...

1. Find out about an environmental issue that is important to your local community. It might be linked to:
 - recycling and conservation
 - energy efficiency in the home or your meeting place
 - the building of new homes and local land use
 - water, light, thermal, air or beach pollution
 - coastal erosion
 - the impact of tourism on the local environment
2. Take part in an activity or project that improves local conservation. It could take place during a weekend conservation camp or you could spread it over at least five weekly sessions.

You could look at:

- recycling
 - reducing energy usage or renewable energy
 - protecting important habitats or wildlife
 - pollution
 - erosion
 - flooding
3. Get involved in a campaign to make others aware of an environmental issue. You could write to your MP and other local agencies or speak to a community group
