

BRILLIANT BUILDER ACTIVITY BADGE

How to earn your badge...

1. Buildings, statues, and bridges can be made of lots of different materials. Can you create something strong that can hold something heavy?
2. People live in all sorts of different buildings – they were all designed by people called architects and built by people called builders. Choose a toy or teddy, design a home for them to live in, then build it.
3. Some of the best builders are animals, who create their own places to live. Work as a team to build a big den that you can all sit in and do an activity.
