Overview

I have created a little note for you to give to parents for a short task that the kids can do at home. This covers two of the tasks for this badge.

Preparation Before The Meeting

1. Type your mobile number and email address at the bottom of the note on the following page and print it out
2. If you want to amend the note in any way feel free
3. Print out the note to give to parents found in the document named 01-Tasks1and2 NotetoParents – there are two on the page to save paper

Directions/Leader Speak

1. **Speak** – This week we are going to be starting our 'Communicator Badge'. We have some really fun activities for you to do. To gain this badge you need to do five tasks. Two of the tasks is to know how to make a telephone call and know how to send an email or text message. For these tasks you are going to do this with a [parent/sibling etc.] I have created a sheet of what to do that I want you to give to your parent when we finish tonight. If you bring this back next week you will be able to gain your Communicator Badge
2. **Direction** – Go through the sheet with them then hand it to them at the end of the night. If it's possible try to speak with the parents so they know that you need this back for next week
