Mandatory Option 1

Go to this link on the official scout website. It will show you a list of activities. Some of them have links to the companies providing them. But the most **important** part of this method is to get the official 'Safety Rules' for the relevant event (click on the event and it will show you the rules). You cannot attend an event without first looking at and carrying out the relevant safety rules.

Option 2

Search on the internet for your **area** and the **event** you are interested in to find a couple of organised activities that you can take your group to. You may need to travel outside of your area.

Who else do I need to inform about my Beaver Scout outing?

Your Group Scout Leader and through them the District Commissioner should be fully informed about the plans for any outing.

Parents/Carers should be left in no doubt as to what activities are planned and what arrangements have been made. Using a standard form to send to parents means that all the information is sent to them. The Scout Association produces a form which can be used. This is the Activity Information Form (FS120081) which is available from the Scout Information Centre. Whether you use the Activity Information Form or you devise your own form, it is good practice to obtain written permission from parents or carers. Any form sent out should have a slip for parents to return giving permission and any other relevant information.

Information to include on the form sent to parents/Carers should include:

[PLEASE NOTE THAT I HAVE ALREADY CREATED THIS FORM FOR YOU IN THE DOCUMENT NAMED 01B-Activity Information Form]

- Date of the proposed outing
- Venue
- Planned activities
- Cost
- Payment method
- Departure time and place
- Return time and place
- Whether pocket money is required and how much is allowed
- If food and drink required
- Clothing required, uniform, waterproofs, footwear etc.
- The name and phone number of the Home Contact for the outing
- If the parents/Carers are invited

Information on the return slip from parents/Carers should include:

- Permission for the child to take part
- Any medical treatment being received **currently**
- Any disability or medical condition which might affect their child's involvement
- Parents/Carers contact number during the outing
