# My Skills Challenge Badge

Go Somewhere New. Then Find Out Five Facts About Something New

## My New Place<sup>®</sup>

### Overview

For this task you can either arrange an outing with the children to somewhere they haven't been before. It doesn't have to be somewhere costly, it could simply be a forest area that you haven't visited where you can have a picnic.

Or you could get them to go somewhere with their parents or they may have already been on a recent holiday that they could write about. The only problem with leaving this to them to do is that some children may not be able to go somewhere and after all their hard work with this badge it would be a shame that they couldn't complete it because of this task. So hopefully you can gauge that by knowing your children.

Whatever you choose I've created a table for the children to fill out which will confirm that they have found out some facts about where they visited.

### Preparation Before The Meeting

1. Print out the form – found in this document – you need one for each child

### Directions/Leader Speak
