# Air Activities Stage 1 Badge

## Overview & Timings

There are **five main** tasks your group need to carry out to complete the 'Air Activities Stage 1 Badge'. Below I have outlined roughly what I have created for them to gain this badge.

**Task 1      Make An Aircraft Out Of Paper And See How Well It Flies. You Could Use A Paper Dart Or A Helicopter And Drop It From A Height**

For this task your group will in teams take part in a 'Paper Plane' flying competition. In the document you will find 3 aircrafts to choose from. You should make them all and choose which one you think best suits your group. Or your group can make all three.

**File name:** 01-Paper Aircraft

**Task 2      Find Out About One Kind Of Aircraft And Tell Others In Your Section About It. It Could Be A Commercial Aircraft Like Concorde Or Airbus Or A Military Aircraft Like A Spitfire, Lynx Or Chinook**

For this task your group will start to learn a little about different aircraft by playing a game called 'The Super Flyers Game'.

**File name:** 02-The Super Flyers Game

**Task 3      Spell Your Name Using The Phonetic Alphabet**

For this task your group will attend the first level of the 'Pilot Academy' and learn how to spell their name using the phonetic alphabet.

**File name:** 03-Phonetic Alphabet

**Task 4      Talk To Somebody Who Has Flown In An Aircraft, Helicopter Or Hot Air Balloon. What Was It Like? If You Have Already Flown In An Aircraft, Tell Others In Your Section About It**

For this task your group will sit in a circle and chat about any flights they've taken and where they have been. They'll also get to see a picture of the brothers that invented the first aeroplane.

**File name:** 04-Your Aircraft Story

**Task 5      Tell Others In Your Section About An Aircraft (Real Or Imagined) That You Would Like To Fly In And Why. You Can Do This Through Drawings Or Models**

For this task give your group some blank paper and a 20-minute time limit to design their own aircraft. They will then hand them around so that everyone can take a look at each other's creations.

**File name:** 05-My Plane

## Order Of Events
